

Ergonomic Endorsement

In a review of the design of Artopex's ergonomic mutli-task chairs, an ergonomic research team from the University of Quebec completed a study and presented recommendations and evaluations of the chairs in question.

The report resulted in the endorsement of Artopex's chairs by the Association of Canadian Ergonomists, through their representative, Mr. Charles Côté, Ph.D in Workplace Ergonomics.

Charles Côté Ph.D

*Head of Health and Safety Training and Research
Health Sciences Department
Université du Québec en A.-T.*

The series of chairs that have received this endorsement are:

- **Dotcom**
- **Loveflex**
- **Vortex**
- **Wingo**

These series proved notable for:

- Promoting good working posture.
- Simple adjustments.
- Minimizing fatigue by allowing for proper blood circulation.
- Providing comfort of the main body pressure points in contact with the chair.

**Université du Québec
en Abitibi-Témiscamingue**
