STYLISH UNIFORMITY

One design, many configurations. Vortex's variations suit a myriad of applications from the executive office to the reception area; the meeting room to the laboratory; and the open office to panel layouts.

The line's flexibility and choice of components allow for design uniformity throughout the space so everyone in the office can benefit from Vortex's comfort.

THE EVOLUTION OF COMFORT

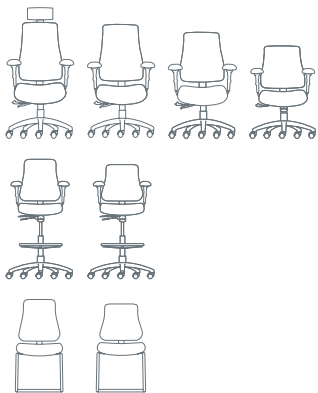

Comfort. Comfort. Comfort. You really have to try this chair to experience how comfortable it is. Vortex's contemporary rectilinear design integrates an evolution in Artopex's high level of comfort and ergonomic details.

Various widths available
