

Kub
Visitor Seating

artopex®

The Kub seating collection elegantly welcomes visitors with its unique design. Easily integrate the comfort of Kub into your space with a choice of mesh and fabric colors.

The stackable model makes it easy to move the chairs and facilitates storage.

Personalize the Kub chair with your choice of backrest: round or square, breathable mesh or upholstered.

The backrest adapts to your posture thanks to its pivoting frame that follows your body's movements.

Discover the comfort of the upholstered seat with a "waterfall" front.

Choose from casters or glides according to your needs.

Optional writing tablet.
