ELEMENT

Feel free to play with the many shapes and heights of Element seating modules and table collection to create, arrange or rearrange your lounge or break area. Discover the geometry of fun with many configuration and color possibilities.

ELEMENT ACTIVE SEATING

A playful concept designed to make the workplace more active and less formal. Active seating stools are designed to promote movement. They allow for a semi-seated position that stimulates concentration and an ergonomic non-static posture. Element Active stools are suitable for meeting and collaboration areas, as well as individual workstations.
