artopex®
the art and the purpose

Slide it under the desk, line it up with a panel, or top it with an overfile cabinet... it's your choice!

New, more aesthetic interior construction

customized personal storage

Storage towers are especially well suited to open areas, system and freestanding furniture.

Pedestals

The large family of pedestals offers a myriad of options: choice of drawer configurations, choice of drawer pull styles, choice of widths and heights, cushion option, adjustable levellers or double-wheeled casters, central lock, pencil tray in utility drawer, and... the Artopex guarantee of quality!

Modular combinations, universal solutions...

The line of Artopex storage modules (cabinets, files and pedestals) covers every need and all useful dimensions. Fixed-front drawers or flipper doors, full or partial doors, various combinations of shelving, stationery shelves, wardrobe or personalized storage cabinets... Artopex can meet your specifications!

The personalized cabinet is an ideal complement to a modular system workstation

Sliding under the work surfaces, low cabinets, lateral files, combination files, and pedestals with multiple configurations are practical solutions for storage that is always within reach.

and always, that unparalleled quality!

Ultra-rigid high-tensile steel construction, invisible welds, full height lateral reinforcement, double-thickness floor, safety system prevents two drawers from opening at once, lock. Quality, reliability, sturdiness... and 29 enamel colors to match any of the Artopex collections!

80 • Bi-colour option, full-width

Tangerine, China Blue, Espresso... today's colours for today's office!

Storage units are no longer relegated to hallways, they are rejoining the immediate office environment, where they are accessible. They are no longer khaki, medium gray, or light beige. They add to the décor, bring colour, light, and playfulness to the workspace. Artopex offers 29 enamel colors and a multitude of possible combinations. Explore the Artopex world of colour!

Option, freedom. Destination, fun!

Enamel, wood, laminate, or high-pressure laminate... the palette of Artopex finishes and colours allows every combination, from the most sober to the most daring. Feel free to express your talent!
