

Loveflex
Office Chair

artopex®

This renowned series allies upscale technology, design, and the famous "Flex" comfort with an exclusive do-it-yourself customization ability. Build your own chair: choose between different backs and seats to address comfort issues, choose the right armrest for your needs, and the mechanism from the simplest to the most sophisticated to suit your functions. Now take it for a test drive!

Available with a stool base.

Available in visitor chair format with sled base.

Optional integrated Artopex Ultra-Flex® Technology.

Curved lumbar support.

Polished aluminum base on casters.

Three backrest height options (low, medium, high).

Black nylon base on casters.

Concave seat with "waterfall" front available in several widths.
