

Flashback
Flashback Beam

artopex®

Superiorly Useful

The Flashback is the all-purpose chair. Whether in an office, reception area, classroom, rest area or cafeteria, it will always deliver the performance you expect.

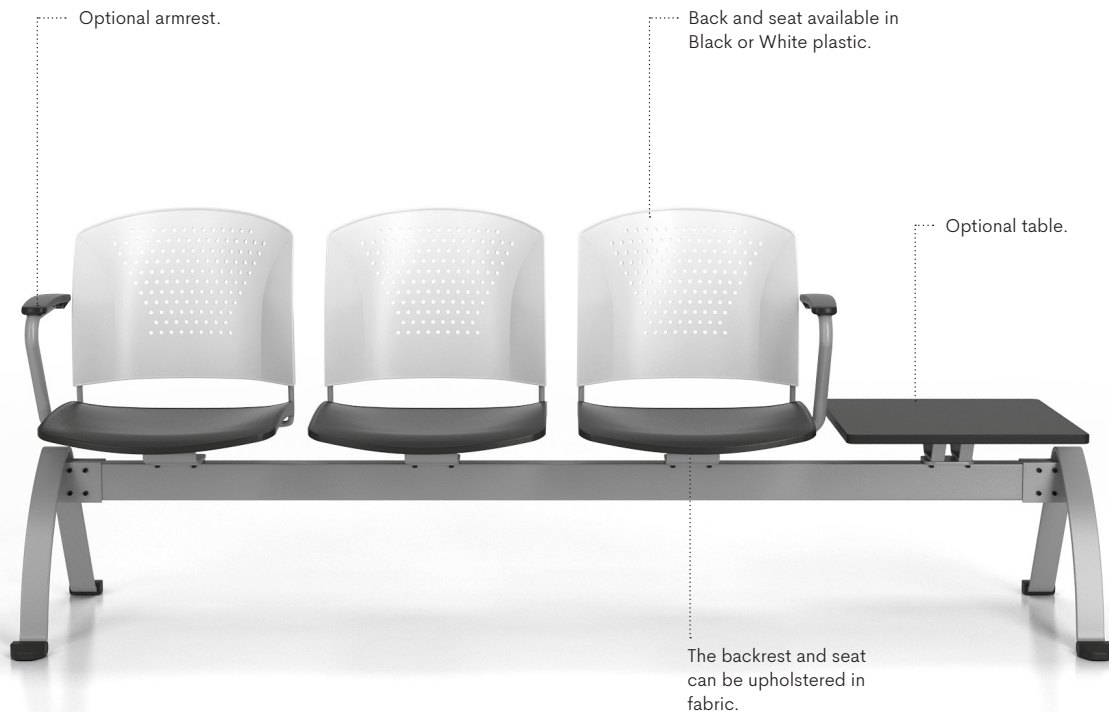

Practical and Orderly

Storage is easy for Flashback using the storage cart for stacking models. And simply flip the seat to allow nesting models to be stowed easily, out of sight.

Flashback Beam

The beam seating system is the solution for all types of waiting rooms. With configuration choices of 2, 3 or 4 places – plastic or upholstered seat and back, table and armrest options – the Flashback beam is exceptionally efficient.
